Morrison's Cove Rotary Club Installs Officers

Roaring Spring, PA: Morrison's Cove Rotary Club installed Christina L. Dively as their new President. Dively will serve in this capacity through June 2020. Joining Dively as officers for the 2019-20 fiscal year are Charles W. Gojmerac as Vice President, John R. Biddle as Secretary, Shanna L. Stern as Treasurer, and Thomas C. Kozminski as Immediate Past President.

Dively joined the Morrison's Cove Rotary Club in 2012 and has been very active with all of the club's activities and programs. In her acceptance comments Dively shared: "As president this year, I plan on continuing to guide the club with the Rotary model of service above self. The club already does this with many community service projects each year, but we will be looking for more projects to expand on our involvement in the local communities. I also hope to gain new members and grow the club by getting the Rotary name out there and letting others know what we are all about."

Morrison's Cove Rotary Club represents Southern Blair and Northern Bedford Counties, Pennsylvania, formerly the Roaring Spring Rotary and Martinsburg Rotary Clubs and is deeply rooted in its communities with several youth programs. These include the annual Dictionary Project, Four-Way Speech Contest, Students of the Month Program honoring a student from Central, Northern Bedford, and Williamsburg High Schools each month during the school year, Interact Club, RYLA (Rotary Youth Leadership Awards), and Inbound and Outbound Foreign Exchange Students Program participation.

The Morrison's Cove Rotary Club meets every Tuesday, 7:00 am at the Spring Cove School District Administration Building in Roaring Spring. For more information on becoming a member of the Club, visit their website at www.morrisonscoverotary.org or email at info@mcrotary.com.
